PERSONAL PROFILE

Highly skilled and creative Film Editor with industry experience in all aspects of film production. Meticulously attentive to both video and audio details. Able to handle multiple projects simultaneously with ease and professionalism.

EDITING SOFTWARE

Edited various films and documentaries using AVID Media Composer, Adobe Premiere and Adobe After Effects.

GOOD UNDERSTANDING OF GRAPHIC DESIGN SOFTWARE

Created photo manipulations and advertising materials using the full Adobe Creative Suite (Illustrator, Photoshop and Indesign).

FILM PRODUCTION

Made numerous short films and documentaries where I took on roles of Producer, Casting Director, Cameraman, Sound Recordist and Editor.

UNDERWATER CAMERAMAN

Made and filmed an underwater short film which included shots in both open water (the Solent) and a swimming pool.

EXPERIENCE

ADOBE - FEBRUARY 2016

Freelance work for Adobe creating a advertising piece - Sound Recordist and Editor.

EQ FILMS - AUGUST 2016

Worked on psychological thriller short film 'Chain'. Jobs including: Set design assistant, assistant to the AD, assistant to the producer and general running jobs.

TIN CAN ISLAND PRODUCTION COMPANY - JULY 2014

Work experience for two weeks carrying out the following jobs: transcribing interviews, assisting with online edits and researching for future documentaries.

EDUCATION

PORTSMOUTH UNIVERSITY - SEPTEMBER 2014 - PRESENT BA HONS IN FILM PRODUCTION CREATIVE SKILL SET

With units that included: producing, cinematography, and sound. This course has covered a wide range of topics and resulted in some final pieces that I am extremely proud of. My second year resulted in me gaining a First, and I am on track to receive this in my final year. Two particular favorites of mine throughout the course have been: 'Do you understand me?' - a short documentary. As well as 'Her anchor' which features underwater filming.

TRITON SCUBA, PORTSMOUTH - NOVEMBER 2016
